

**When you've eaten up your dinner
Then the next thing that would please
Is a platter with some crackers
And a lovely choice of cheese.**

**Edam, Gouda, Double Gloucester
Wensleydale and Buxton Blue
Cheddar, Stilton, Mascarpone
And some Monterey Jack too.**

**Bright Red Leicester, and Montego
Emmentaler, Chevre, Brie
Gruyere, Feta, Gorgonzola
Camembert, Halloumi**

**Where the red grapes, and the white grapes
Lie reclining on a plate
There's a wedge of Stinking Bishop,
Mozzarella, fine Comte.**

**There is such a grand selection
One to meet most people's taste
Hard or soft, cream, red or blue veined,
Take your time, don't choose in haste!**

**There is Swiss Cheese, Provolone
Some Ricotta and Roquefort,
Now we've been through all the cheeses
It is time to pass the port.**
